

DIRECTORY

RED CROSS RED CRESCENT

Country names: National Societies are listed alphabetically according to their English country name. Country names follow the standard ISO 3166.

Area codes: Country and area telephone codes are indicated within parentheses before the telephone and fax numbers. For telephone calls within a country, it is often necessary to dial 0 before the city/area code. Consult the local telephone directory for further information

Date amended: The date shown at the foot of an entry indicates when the last change of information was made in the following format: DDMMYYYY (Day.Month.Year)

Correspondent: An ° by the side of a function denotes the addressee to whom all correspondence should be sent. If more than one correspondent exists, send to only one depending on the nature of the correspondence. Correspondence should be in the language indicated at the bottom of each National Society entry.

Languages: The language at the foot of the page indicates the preferred Federation working language for correspondence and publications.

Abbreviations: **Ad./Dir.** = Address

Tlg = Telegram

Postal. = Postal address

Tlx = Telex number

Tel. = Telephone number

Fax = Telefax number
