## ASIA: EARTHQUAKE & TSUNAMIS EAST AFRICA REGION

14 February 2005

The Federation's mission is to improve the lives of vulnerable people by mobilizing the power of humanity. It is the world's largest humanitarian organization and its millions of volunteers are active in over 181 countries.

### In Brief

**Revised Preliminary Appeal No. 28/2004; Operations Update no. 42; Period covered: 7-14 February 2005; Appeal coverage: 105.8%** ([Click here to view the provisional contributions list](#)).

#### Appeal history:

- Preliminary appeal launched on 26 December 2004 CHF 7,517,000 (USD 6,658,712 or EUR 4,852,932) for 6 months to assist 500,000 beneficiaries.
- Disaster Relief Emergency Funds (DREF) allocated: CHF 1,000,000.
- Revised Preliminary Appeal issued on 30 December 2004, for CHF 67,005,000 (USD 59,152,246 or EUR 53,439,988) for 2 million beneficiaries for 6-8 months.
- The Preliminary Appeal was originally launched titled "Bay of Bengal: Earthquake and Tsunamis". The title was subsequently changed to "Asia: Earthquake and Tsunamis" in the Revised Preliminary Appeal launched on 29 December 2004.
- Operations update No. 16 revised the Revised Preliminary Appeal 28/2004 budget to CHF 183,486,000 (USD 155,286,000 or EUR 118,669,000) with programme extensions for particularly Sri Lanka, Indonesia, the Maldives and East Africa.

#### Highlights of the Day:

- **This Operations Update focuses on the transition from emergency relief to longer-term development in relation to Tsunami-related activities in East Africa.**
- **It reaffirms the need and on-going efforts to strengthen coordination and cooperation within the International Red Cross and Red Crescent Movement.**
- **It announces that subsequent Operations Updates focusing on this region will be issued bi-weekly, starting 28 February.**

#### For further information specifically related to this operation please contact:

- **In Kenya:** Anitta Underlin, Federation Head of Eastern Africa Regional Delegation, Nairobi; email: [ifrc03@ifrc.org](mailto:ifrc03@ifrc.org); Phone: 254.20.283.51.24; Fax 254.20.271.84.15; Steve Penny, Federation Eastern Africa Regional Disaster Management Coordinator, Nairobi; email: [ifrc78@ifrc.org](mailto:ifrc78@ifrc.org); Phone: +254.20.283.51.17; Fax: +254.20.271.84.15
- **In Geneva:** Josse Gillijns, Regional Officer for Eastern Africa, Africa Dept.; email: [josse.gillijns@ifrc.org](mailto:josse.gillijns@ifrc.org); Phone: +41.22.730.42.24; Fax: +41.22.733.03.95

All International Federation assistance seeks to adhere to the [Code of Conduct](#) and is committed to the [Humanitarian Charter and Minimum Standards in Disaster Response](#) in delivering assistance to the most vulnerable. For support to or for further information concerning Federation programmes or operations in this or other countries, or for a full description of the national society profile, please access the Federation's website at <http://www.ifrc.org>

## Background

The magnitude 9.0 earthquake that struck the area off the western coast of northern Sumatra on Sunday morning, 26 December 2004, at 7:59 am local time (00:59 GMT) triggered massive tidal waves, or tsunamis, that inundated coastal areas in countries all around the Indian Ocean rim – from Indonesia to Somalia. Sri Lanka, the Indonesian province of Aceh, four states of southern India, the Maldives, and coastal areas of Thailand, Malaysia, and Myanmar were the most severely affected. The earthquake epicentre was located at 3.30 N, 95.78E at a depth of 10 kilometres. The area is historically prone to seismic upheaval due to its location on the margins of tectonic plates. However, tidal waves of this magnitude are rare and therefore the level of preparedness was very low.

**Summary of the human toll caused by the tsunami as of 11 February**

Countries	Dead	Missing	Displaced	Homeless	Sources
Indonesia*	242,347	-	412,438	n/a	Government
Sri Lanka	30,974	4,698	553,287	480,000	Government
India	16,389	-	647,599	20,000	Government
Maldives	82	26	21,663	n/a	Government
Thailand	5,393	3,062	n/a	n/a	Government
Myanmar	61	10	n/a	3,200	Government
Malaysia	68	12	n/a	4,296	Delegation
East Africa	394	158	2,320	n/a	Government
<b>Total</b>	<b>295,708</b>	<b>7,966</b>	<b>&gt;1,656,650</b>	<b>&gt;507,496</b>	

*In Indonesia and India only, the number of dead includes those previously listed as missing though this will only be official in Indonesia one year after the disaster's date.  
Note: East Africa covers tsunami-affected countries of Kenya, Madagascar, Seychelles, Somalia and Tanzania.*

Thousands of staff, relief and medical personnel, and volunteers of the Red Cross and Red Crescent societies of the tsunami-affected countries have provided a vital initial response, in search and rescue, clean-up, providing temporary shelter and immediate relief assistance, emergency medical services, psychological first aid and tracing. It is estimated that over 10,000 Red Cross and Red Crescent volunteers and 76 relief and medical teams have been mobilised in the disaster-affected areas.

The Federation immediately launched a Preliminary Emergency Appeal on the day of the disaster with a focus on Sri Lanka, Indonesia and the Maldives. On 3 January 2005, the ICRC launched budget extensions additional to its 2005 Emergency Appeal for Indonesia and Sri Lanka. Along with initial support from the country and regional delegations, the Federation deployed within 24-72 hours three [Field Assessment and Coordination Teams \(FACT\)](#) and 18 [Emergency Response Units \(ERU\)](#) in the sectors of water and sanitation, health care, aid distribution, telecommunications, and logistics/transportation to Sri Lanka, Indonesia and the Maldives.

A total of 147 relief flights have now arrived in the various affected countries and a further 42 flights are in the Federation relief pipeline, making a total of 189 relief flights coordinated through the Federation.

The Federation and the ICRC in Geneva are currently working on an organizational framework for Movement coordination in the tsunami operations. A note has been sent out to national societies and delegations on this today, for consultation. It is expected that the framework, which will set in place strong platforms for coordination, will be finalised shortly, and a final note will be then sent out by the Federation and the ICRC.

## East Africa

### Focus on the transition from emergency relief to longer term development in the tsunami response

As colleagues in Asia continue to work hard to meet important short terms needs for relief response in relation to the Tsunami disaster, the East Africa region is currently focusing on the transition from emergency relief to longer term development. In East Africa, the direct impact of the disaster, although important, was less extensive and has required an integrated relief, recovery and rehabilitation approach at early stages.

Since being adopted on 18 January the East African national societies, ICRC and the Federation, the Nairobi Initiative has guided country, sub-regional and Regional delegations to develop an overall Plan of Action and budget for the period 2005-2010, with objectives and budget for mid- and long-term recovery in East Africa. A detailed regional plan for 2005 has been submitted to the Federation Secretariat, stating objectives, activities and expected results. An overall plan covering the period until 2010 is also under development.

As a part of the plan of action a Regional Strategy and Operational Framework (RSOF) developed for the East Africa region is supported by a matrix which easily provides an overview of concrete plans and aspirations for the

Movement for the next year and for the period beyond. The document was also shared with members of the Pan-African Coordination Team (PACT) in Dakar in February.

The Somalia Operations Review Mission was conducted by the Somalia Red Crescent and Regional Delegation; it involved, for the first time in the region, an information and communications officer from Uganda Red Cross. This mission was the focus of Operations Update no. 37 dated 7 February; the report has been distributed to all directly-involved stakeholders and will soon be shared with UN OCHA. A news article highlighting the mission was also published on the Federation web site.

The Somali Red Crescent convened a coordination meeting during which the findings of the review mission – that complete the Tsunami Plan of Action - were presented to all Movement members based in Nairobi and within the region. The main emerging topic was the need to continue to strengthen Movement coordination and cooperation. A number of documents, developed in Asia which will serve as a basis for improving the existing standards and agreements, were shared with the participants.

The Movement representatives agreed with the recommendation that, in the implementation of all upcoming projects, communities are involved from early stages. The need for the Somali Red Crescent to adopt a common intervention strategy was also recognized, as was the importance of focusing on medium- and long-term activities. Psychological support to tsunami victims should be combined with economic recovery activities, which could be implemented in cooperation with other humanitarian actors. Somali Red Crescent volunteers will continue their emergency cleaning and health prevention activities for another three weeks; their well-being, safety and motivation during future operations is another element included in the plan of action.

The entire process of developing the Tsunami Plan of Action was a participatory and consultative process. It reflects priorities as identified by national societies in East Africa with partner national societies (PNS), ICRC and the Federation for the short-, mid- and long-term recovery and rehabilitation. It is the result of contributions by the RC-NET Disaster Management sub-committee and colleagues from relevant Federation Secretariat departments.

The East Africa regional delegation has two national society staff members joining the regional delegation as staff-on-loan to assist handling the immense work pressure in our region related to the tsunami response. A senior national society leader from the region is expected very soon to join the Regional Delegation senior management group to improve Movement coordination in the region.

A staff-on-loan communication and information officer from the Tanzania National Red Cross Society will join the regional delegation for a two-month assignment to assist with the production of Operations Updates, web site stories, and general updates.

## Somalia

### Overview

The Somalia Operations Review Mission, conducted by the Somalia Red Crescent and Regional Delegation presented its report to all directly involved stakeholders and will soon be shared with UN OCHA. The national society convened a Movement coordination meeting as mentioned above. In Puntland, emergency cleaning and health prevention activities by Somali Red Crescent volunteers are expected to continue for another three weeks, when the focus will be on longer-term recovery and rehabilitation activities.

### Red Cross and Red Crescent Action

**Objective 1 (health): The health conditions among the most affected people in Somali coastal regions of Alula, Iskushuban (Hafun), Bender Beila, Eyl and Jariban have improved and the outbreak of epidemics and waterborne diseases prevented.**

Following the Somalia Operations Review Mission, health prevention activities will be strengthened in the tsunami-affected area. There is a need for psychological support; this should be implemented together with economic recovery activities, possibly in partnership with other humanitarian actors.

**Objective 2 (immediate livelihood restoration): Essential livelihood rehabilitation activities supported for selected families in the Seychelles and Somalia.**

The recommendations of the Federation operational review mission should be further transformed into project proposals. The imminent arrival of a Movement coordinator is expected to strengthen the project identification process.

A Somali Red Crescent medical team provides health prevention services to a community who moved away from shore for fear of another tsunami.

Fisherman Ali Haji shows the destroyed nets strewn over Hafun beach. Ali lost a son and his livelihood in the disaster.

## Seychelles

### Overview

A meeting was held between the Seychelles Red Cross Society and government representatives, to identify priorities and find ways to assist those affected by the tsunami who may not have received aid. The conclusions from this meeting are to be shared with the regional delegation.

There were emerging needs in terms of replacing destroyed household items and aid for farmers who have lost their crops in the disaster. Clean-up activities by Seychelles Red Cross volunteers and local social organizations have been completed.

### Red Cross and Red Crescent Action

**Objective 2 (immediate livelihood restoration): Essential livelihood rehabilitation activities supported for selected families in the Seychelles and Somalia.**

Planned relief distributions were completed. Following a meeting with government representatives, the national society will decide if further distributions are to take place. Tendering for procurement of equipment for fishermen and farmers is in progress. The national society is also considering assisting families whose septic tanks were damaged.

**Objective 3 (capacity building): The disaster response capacity of national societies in the Eastern Africa region is strengthened.**

The procurement of additional stocks, sent in the airlift from Nairobi, meant that the national society was able to respond swiftly to most of the needs of the newly identified beneficiaries. Half (40) of the intended 80 volunteer kits have already been purchased, ensuring volunteers have adequate clothing and equipment to respond to future natural disasters.

## Africa Region

### Overview

The Nairobi Regional Delegation continues to offer support and assistance to those countries in its region, and is coordinating the substantial interest and support from other African national societies and non-Movement partners. Preparedness measures are well in place in connection with the 2005 cyclone season.

The recruitment process for a francophone Disaster Management and IT/Telecommunications delegates to assist the Nairobi Regional Delegation with the tsunami recovery and disaster preparedness activities is ongoing. A senior manager from an East African national society is expected to join the regional delegation as Movement Coordinator. An information officer from Tanzania Red Cross will join the regional information unit for two months starting 1 March.

The first from a series of articles by the Uganda Red Cross information officer - covering the East Africa tsunami response – was posted on the Federation web site.

### Coordination

The need to strengthen Movement Coordination was underlined during a Movement meeting organized by the Somali Red Crescent following the completion of the Operations Review Meeting. A series of documents developed in Asia which will serve as a basis for improving the existing standards and agreements were shared with the participants.

## Red Cross and Red Crescent Action

**Objective 3 (capacity building): The disaster response capacity of national societies in the Eastern Africa region is strengthened.**

Discussions continue with colleagues from ICRC Nairobi for assistance in the management of disaster preparedness stocks for the Federation in Nairobi.

Work continues in preparing for two regional disaster response teams training: one dealing with media in emergencies and information management skills, and a second dealing with regional logistics.

**Objective 4 (advocacy): The humanitarian needs of the disaster affected and the work of the national societies are advocated for.**

Following two successful assignments to the regional information unit by two officers from the Rwandan Red Cross and Uganda Red Cross, an information officer from Tanzania Red Cross will join the regional information unit for two months starting 1 March 2005.

A news article by the Uganda Red Cross information officer, highlighting the reality in Somalia after the tsunami, was posted on the Federation web site. This will be followed by the posting of a photo gallery and other relevant articles.
